President's Report

As you know, our **BIG** two-day meet is coming up quick & we will need everyone's help to make sure the meet runs smoothly. **NEW THIS MEET...**To eliminate the long lines in the pool lobby & multiple questions as to if an event has been posted yet, we have decided to bag the awards for the coaches to distribute to their own swimmers. As always, we will post the results for swimmers to view, but they will not be picking up their own ribbons at our meets. However, with that said, the Awards table will still be in charge of handing out the High Point trophies (which will be given out on Sunday at the end of the a.m. session once high points have been calculated).

REMINDER: Session 2 of Long Course begins on **Monday, June 14**. If you are unsure when your child swims, the "**Summer Swim Schedule**" is posted on the homepage of our website, under the tab "**News**".

Next Parent Meeting: Tuesday, June 22, 6:00 p.m. in the pool lobby. For those who did not make the April parent meeting, please attend this one. Thank you!

In closing, I would like to wish the Best of Luck to our senior swimmers who will be graduating from MFHS this month...Nick Bietz, Taylor Hernikl & Ben Perry. Congratulations!!

Laurie Siehs, President

FROM THE DESK OF PUBLICITY CHAIRPERSON

Again, I wanted to thank all those who came out on May 16th to participate in the adopt a highway clean up. There was mis-information sent out in an email (I apologize) & the next highway clean up date will be Sunday June 20th, not Saturday June 19th. For those who had plans last time and could not make it, we are hoping for your help at our next cleanup. Look for emails and a sign-up sheet at the pool.

As with anything new, we have learned that a better way to approach the cleanup is that we will be breaking up into groups of 3 and those 3 will only be responsible for picking up 1 mile of the 4 miles that need to be done. This should take no longer than 1 hour which will leave plenty of time to enjoy the rest of your Sunday. Keep in mind that this is a great way to get those community service hours in.

Also, check out our latest article on the on-line version of the newspaper Menomonee Falls Now. It highlights our community service projects: the food drive at our holiday party, the donation to Children's Hospital from swim-a-thon and the highway cleanup.

MFSC gives out chevrons to swimmers for achieving motivational times. The motivational times for Short Course Yards and Long Course Meters can be found on the www.usaswimming.org website and are also on display on the bulletin board. The spring/summer session you will follow the Long Course Meters when swimming in a 50-meter pool. If we happen to be swimming in a yard pool, such as our home meet, then follow Short Course Yards.

Once your child has obtained a motivational time, let me know the swimmer's name, event, and standing (B, BB, A, etc.) by slipping a note into the Lucas mailbox. I will then place the chevron/s in your mailbox.

Chevrons are fun to collect. They can be sewn onto a sweatshirt or towel or attached to their swim bag via a carabiner, which is on display, and we will have them available soon for purchase.

If you have any questions understanding the motivational times, please feel free to contact me.

A NOTE FROM THE MEET ENTRIES COORDINATOR

Hi Families,

If you've forgotten which swim meets your pre-reserved for the long course session, check the bulletin board at the pool. There is a laminated purple spreadsheet with all the meets and I have indicated under each meet, how many swims were reserved for each swimmer. If you do not have anything marked in a box, you have not pre-reserved. Since our club is so large, I had to omit any swimmer that had no reservations whatsoever, so if your name is not on the spreadsheet, you did not reserve in advance. You will need to use the waitlist if you want to enter an upcoming meet. If you have any questions, please feel free to email me at weswim1@gmail.com.

Watch your email for details!!

NEXT SCRIP ORDER

Due to the end of Session 1 fast approaching, I am changing the SCRIP order schedule for the month of June. There will be 2 orders this month to accommodate those families who are done June 11th, and those that are starting June 14th.

IMPORTANT! Even if your kids are not participating in Session 2, you can still fundraise through July. Your fundraising bill will not run until the July 20th invoice.

Orders are due by 7:00 p.m. on:

June 4th & June 18th

Orders need to be placed online, and checks placed in the locked box in the pool office. In order to have timely delivery, the June 4th order will be placed right away Friday night, and delivery will hopefully start that following Tuesday.
