New Berlin Eisenhower High School

Thursday, September 5th 7:00-8:00pm

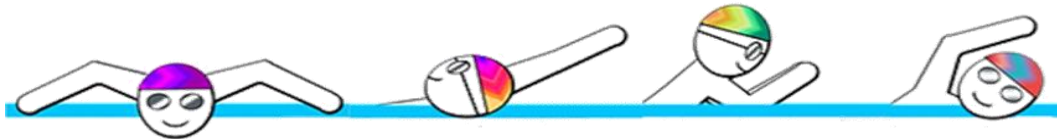

Be prepared to swim: Please bring a suit, towel and goggles

The New Berlin Swim Club is celebrating over 45 years in competitive swimming. NBSC is formed within New Berlin and surrounding communities. We have always believed in the "swim family", to know all our members, to support our coaches and cheer on our swimmers. NBSC stands behind the values swimming can teach us: to set goals and work hard, to be positive, to be respectful, to try your best, and encourage others.

The New Berlin Swim Club is dedicated to promoting a positive experience with competitive swimming. We strive to teach skills that are safe, healthy, effective and fun from beginner to accomplished swimmers. Our club program focuses on:

- Individual attention
- Age/skill level appropriate coaching
- Helping swimmers reach their full potential
- Positive environment
- Instilling confidence and self-esteem
- Offering a rewarding and exciting experience for swimmers and their families.

NBSC has groups appropriate for any skill level, beginner through high school.

Group placement is available any time, including the dates listed above!  
Email us and let us know you are interested!
