**Scratching from Cons/Finals:**

Any swimmer qualifying for a consolation or final heat in an individual event who fails to compete in said consolation or final heat shall be barred from further competition for the remainder of the meet. Disqualification under this section shall only apply to swimmers qualifying based on the original preliminary results. In the event of withdrawal or barring of a swimmer from competition, the referee shall fill the consolation final or final when possible with the next qualified swimmer(s). Listed alternates not to exceed two (2) shall be announced and posted. Alternates interested in participation should report to the starter before the start of the race but shall not be penalized if unavailable to compete in the finals. When consolation finals have not yet been swum and a barring or withdrawal is known to the referee, the referee shall re-seed the consolation final and final, if necessary, by inserting the alternate(s) in the appropriate lane(s), filling all lanes in finals. If a consolation final has been contested, the companion final shall be swum without re-seeding for empty lanes. Finals shall include those events deck seeded but swum as timed finals in prelim/final competition. **Swimmers must declare their intent to scratch within thirty (30) minutes after the initial posting of the individual event results at the computer table on the south side of the pool. Swimmers must officially scratch or rescind their intention to scratch within thirty (30) minutes after their last individual event.**

**Finals Qualifying Scratches:** The fastest 16 swimmers in prelim/final events for 11-12, 13-14 and senior events from sessions #1 will qualify for finals in Session #3. Two (2) alternates will also be designated based on results. Finals qualifiers will have thirty (30) minutes from the time results are posted to scratch

from finals. If the scratch is not made by that time, all swimmers in the top 16 will be awarded placement into the consolations and finals based on prelim order of finish. No more than two alternates will be moved into finals regardless of the number of scratches. Any swimmer qualifying for a finals race, who fails to compete in Session #3 after declaring their intention to do so, will be barred from the remainder of the meet. If an athlete in the top eight (8) scratches within thirty (30) minutes, all other athletes can move up. As per USA Swimming Rules: if an athlete in the top eight (8) fails to scratch before finals and does not swim, no one in the consolation final heat moves up for award purposes.
