

## WAUNAKEE WAVE OPERATING PROCEDURES

(AS OF 9/1/2020)

@ CHEROKEE COUNTRY CLUB and BISHOPS BAY COUNTRY CLUB

- **Facility procedures:**

- Athletes will only be allowed to line-up along 'entry walkway' **5 minutes** prior to their scheduled practice. If you are early, please wait in your car.
- There will be a one-way entrance and one-way exit if possible. The entrance will be from the parking lot along the walkway into the pool clubhouse.
- Please **WEAR YOUR MASK** and stand 6 feet apart along the entryway path when lining up.
- The coaching staff will instruct the athletes when to enter and where to place their belongings. Please avoid placing your gear or clothes on tables, chairs, or loungers. Hang on a fence or place on the pool deck.
- Once athletes enter the facility, they will continue to **WEAR THEIR MASK** while getting ready and await instructions from their coach.
- **Athletes and coaches must always maintain 6 feet distance .**
- **Athletes must arrive and depart in their swimsuit.**
- **Athletes will not be able to change or shower at the facility.**
- Athletes **should bring their own (already filled) water bottle**, no use of the drinking fountains or sinks to fill water bottles.
- Athletes should bring their own equipment bags and there is to be NO SHARING OF EQUIPMENT unless they are swimmers who live in the same household.
- **Parents/spectators will not be allowed in the facility** at any time and are expected to practice social distancing while waiting for their athlete.
- Parents/spectators will not be allowed in the facility at any time and are expected to practice social distancing while waiting for their athlete.
- **Locker rooms will be limited to restroom use only one swimmer at a time.**
- All shared areas, including restrooms, will be disinfected regularly.
- The facility will be cleaned daily following all practices.

- **Health Criteria:** (criteria must be met by athlete and anyone residing in their household)

- ***Any athlete, staff or family member should alert the coaching staff if they are feeling ill at all (even if Covid-19 is not suspected) and a determination can be made if the swimmer should attend practice or sit it out until necessary.***
- Any athlete, staff or family member experiencing any symptoms of fever (100.4 deg F or higher), recent cough, unusual fatigue, headaches, loss of sense of taste or has had any exposure to someone who has any symptoms (which include family and friends) should remain at home and seek medical treatment. If this occurs, the athlete may not attend practice until 14 days after the fever or symptoms has ceased. Athletes and staff must see a physician and be cleared for training after being diagnosed or exposed to Covid-19.
- For us to stay healthy and be able to keep swimming, we ask our athletes to please practice responsible social distancing when they are away from the pool as well and **WEAR YOUR MASK!**
- Please be open and honest with the coaching staff regarding any and all potential Covid-19 risks your swimmer and immediate family may have had. It is better to be proactive and more careful than less.
- Athletes, staff, and families of who travel air to an area deemed high risk by the staff will need to isolate for 14 days before returning to practice. Please check with the coaching staff.

- **Positive test procedure:**

- Should someone test positive for COVID-19 within the membership, the following measures will take place:
  1. The individual should let the staff know immediately.
  2. The individual or individuals who have swum on either side of that athlete  
Will be expected to self-quarantine for 14 days and/or receive a negative Covid-19 test (we will be assigning lanes) .
  3. The facility will be shut down for no less than 24 hours to deep clean.
