Acceptable proof of time includes the USA Swimming SWIMS database and printed or viewable Meet Final Results from any USA Swimming sanctioned, approved or observed meets, high school meets, YMCA closed competition, and NCAA closed competition. Acceptable proof of time identifies the swimmer by name, his/her time, and the meet name and the date on which the swimmer previously achieved the qualifying time. High school meets include any season ending meet (Conference, Sectional, State Championship).
- C. The results of a Time Trial, conducted at or in conjunction with the meet for which the proof is required, is not acceptable.
- D. A team with an unresolved proof of time must prove the time or pay the fine by the conclusion of the meet.
- E. A team owing a proof of time penalty or an unattached swimmer owing a proof of time penalty may not enter an LSC sanctioned or approved meet until the proof of time fine is paid. The Meet Director shall inform the Sanction Coordinator about the team or unattached swimmer owing the outstanding fine and provide contact information. The Sanction Coordinator shall advise the team or the unattached swimmer regarding the fine and inability to participate in another sanctioned or approved meet.

Conduct of the Meet

Format:	The meet will be a combination of prelim/final events and timed final events. Flyover starts may be used. Swimmers will report to a bullpen with multiple staging points before going behind the blocks for all prelim and final events. Masks shall be worn at all times by athletes except for when they are in the final stage behind the blocks ready to race, for racing and for warm up/cool down periods. Breaks may be inserted in the meet at the discretion of the Meet Referee.
Prelims:	Preliminary heats will be seeded by time. Results will be displayed by age group.
Timed Finals:	Timed finals are individual and relay events, 400 yards or longer.

Relays:	Please refer to the schedule of events tables for information on format and timetable of relays.

Scratch and Down-Seeding

Scratching from Prelims:	Swimmers may scratch from an event in which they are entered by submitting a scratch form to the Administrative Referee(s) (scratch box) prior to the deadlines.	
Scratch Deadlines:	Day of Meet	Deadline
	Thursday	<u>Wednesday by 4:00 PM</u>
	Friday	Thursday by 6:30 PM
	Saturday	Friday by 6:30 PM
	Sunday	Saturday by 6:30 PM

Scratches need to be turned into the scratch box, located at the scratch table. If you will not be arriving in

time to make the deadline, coaches may scratch events via email to the entry chair. Scratches submitted by email must be completed by the deadlines listed above.

- Swimmers may scratch from an event in which they are entered by following the procedures set forth in the meet announcement.
- In all events where preliminary heats are necessary or in any timed final event for which the swimmer has been positively checked in, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer entered and has not been scratched in accordance with above will be barred from all further individual and relay events of that day.
 - The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for that day's events.
- No penalty shall apply for failure to withdraw or compete in the Prelims or Timed Finals heat of an individual or relay event if the swimmer or coach notifies the Administrative Referee or the Deck Referee prior to the swimmer's assigned heat of a Declared False Start.

**Prelim & Time
Finals Scratch Rules:**

Down – Seeding: Down-seeding will only be allowed for Individual and Relay Timed Final events. Down-seeding must be declared by the scratch deadline for that event. Down-seeding procedures will be announced at the general meeting.

A DFS can be made by the coach or swimmer to the Administrative Referee or Deck Referee at any time prior to the start of a heat in which the swimmer is seeded, in an event for which they have checked in or failed to scratch, during the preliminary sessions. During warm-ups (prior to the start of the session), the DFS is given to the Administrative Referee in the glass office. After the start of the session, the DFS is given to the Deck Referee.

**Declared False Start
(DFS):**

A DFS may be made in a Timed Finals event and for swimmers in the fastest heat swimming with Finals in a Timed Finals event. No explanation for the DFS is required, and all requests shall be granted. A DFS is a disqualification for the swimmer and counts towards the total allowed events per day and per meet.

DFS is not allowed in Finals. If a swimmer fails to compete in finals (except due to injury, illness or circumstances beyond the control of the swimmer, as determined by the Meet Referee), it is a failure to compete and the swimmer is barred from the remainder of the meet.

Relays are tentative based on total session numbers. In the event that relays occur the following rules will be in place. Deadlines for relay cards will be posted and announced throughout the meet. Swimmer names and the order of the swimmers must be listed on all relay cards. There will be no Relay-only swimmers allowed on your meet entry. IF relays occur, teams will only be allowed a single "A" relay for each relay listed in the meet.

Relays:

A relay team member failing to appear ready to swim for the relay event shall be barred from the next individual event in which the swimmer is entered, on that day or the next meet day, whichever is first. The relay team members who do appear ready to swim shall not be penalized for failure of the other team members to appear.

Scratches from heats competed during Finals shall be made with the Administrative Referee (or designee) located at the scratch table.

**Scratching Time
Finals Heats in
Finals:**

NOTE: Do not use the scratch box to scratch from timed finals heats competed during Finals.

A Declared False Start is allowed for all heats of Timed Finals events, including heats swum in preliminary session and fastest heats swum with Finals.

**Scratching from
Finals:**

After the preliminary heats have swum, results will be announced. After announcing is complete swimmers will have thirty (30) minutes to scratch or declare their intentions to scratch. Once events close there is no scratching from finals.

Failure to Compete:

Any swimmer qualifying for a Finals race in an individual event who fails to compete in said race shall be barred from further competition for the remainder of the meet. Disqualification under this section shall apply

only to swimmers qualifying based on the original preliminary results. However, if a swimmer or coach is notified that the swimmer has scratched into a Finals race in an individual event, accepts the position, and then fails to compete, the swimmer shall be barred from further competition for the remainder of the meet.

In the event of withdrawal or barring of a swimmer from competition, the Meet Referee shall fill the Consolation Final or Championship Final when possible with the next qualified swimmer(s). First and second alternates shall be announced along with the Final qualifiers. These alternates shall not be penalized if not available to compete in Finals.

When Consolation Finals have not yet been swum and a barring or withdrawal is known to the Meet Referee, the Meet Referee shall reseed the Consolation Final and Championship Final, if necessary, by inserting the alternate(s) in the appropriate lane(s), filling all lanes in the Championship Final race. If a Consolation Final has been contested, the companion Final shall be swum without reseeding for empty lanes.

Finals Check-in procedure will be discussed at the coaches meeting.

No penalty shall apply for failure to withdraw or compete in an individual event if:

1. The Meet Referee is notified in the event of illness or injury and accepts the proof thereof.
2. Bonus, Consolation, or Championship Final based upon the results of the preliminaries notifies the referee within thirty (30) minutes after the announcement of the qualifiers for that race that they will not compete.
3. A swimmer qualifying for a Bonus, Consolation, or Championship Final race based upon the results of the preliminaries notifies the Administrative Referee within thirty (30) minutes after announcement of the qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event.
4. It is determined by the Meet Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
