Notes regarding meet commitments:

- 1) Meets are reserved with hosting teams at the beginning of the season and your account will be invoiced for those reservations later in the season when we submit our entry to the host club for each competition.
- 2) Please be careful to sign up for meets that are specifically for your swimmer's specific training group. If you are not sure what training group your swimmer is in, you can check online at www.ebsc.org under MY ACCOUNT by scrolling down to see your "members".
- 3) If you find you cannot keep your reservation later in the season, every effort will be made to find a replacement swimmer to fill your spot, however, your account will still be invoiced for unused swims which you have reserved if we cannot find a replacement swimmer.
- 4) A copy of our meet schedule by training group can be found - [HERE](#).

Meet frequently asked questions:

1) What are all these abbreviations?

SCY = Short Course Yards (a 25 yard length pool)

SCM = Short Course Meters (a 25 meter length pool)

LCM = Long Course Meters (a 50 meter length pool)

2) What exactly are AM and PM sessions?

AM session refers to the first session of the meet.

Typically, warm-ups for AM sessions start about 7:00 am/8:00 am and end at approx. 11:00 am/12:00 pm.

PM sessions start right at the end of the AM sessions.

Typically, warm-ups for PM sessions start at approx. 11:00 am/12:00 pm and ends at approx. 4:00 pm/5:00 pm

This is all just a general guideline.

Meet timelines will be announced closer to the meet day.

3) What if we can only attend one day of a two day meet? Or what if we have to leave early, etc?

If you have special requests about entering your swimmer for these meets, please include them in the space labeled NOTES during the meet entry process. The coaching staff will make every effort to accommodate your request.

For example: "Joey can only swim Saturday of this meet."

4) Does my swimmer need a special qualifying time for any of these meets?

Meets that have special time standards are labeled "qualifiers only".

If you are not sure if your swimmer qualifies for this meet you are considering, you can ask your swimmer's coach.

5) What if we find out we can't attend a meet?

If you find you cannot attend a meet as it gets closer, you must coordinate any changes with your swimmer's coach. Every effort will be made to find a replacement swimmer to fill your spot, however, your account will still be invoiced for unused swims which you have reserved if we cannot find a replacement swimmer.

6) What if we want to add a meet that we didn't sign up for initially?

If you find that you can attend a meet you did not sign up for, simply reach out to your swimmer's coach to see if the entry has already been turned in. If not, you likely can fill a spot that someone else needs to release.

7) Do I have to pick events for my swimmer? and how do I know what they are swimming?

As a meet gets closer, coaches will choose events for your swimmer. You will be able to see those entered events online at www.ebsc.org by clicking on EVENTS/MEETS and scrolling down to your committed swimmer's name. If something about the entry doesn't seem right, please reach out to your swimmer's coach. Changes can only be made prior to the entry deadline set by the host club.

8) What if my swimmer doesn't turn 13 until later in the season even though they are in S3/4?

Swimmers should sign up for AG meets until they turn 13 when they would begin swimming S3/4 meets. Please check with your swimmer's Coach for more guidance.
