

Dear EBSC Families,

Our swim club is turning 50 this year!

Elmbrook Swim Club continues to offer high quality aquatic programs to our community. Our current staff is committed to swimming excellence with over 150 combined years of competitive coaching experience. The longevity among our staff makes our program a consistent and effective place to train swimmers - at all ages, interests, and skill levels. EBSC routinely represents the Brookfield and Elm Grove community at USA Swimming Masters, Senior, and Junior National levels. This past year, we were once again awarded the top honor of Bronze Medal Club in the USA Swimming Club Excellence program, recognizing the organization's highest-performing swim programs in the development of athletes 18 years and younger. We have a lot to celebrate!

On **September 29th, 2018**, we will mark 50 years of fantastic swimming, friendships, and community with a party at **Western Racquet Club in Elm Grove**. This is an opportunity for friends, past and present, to gather in support of our club and our mission. The evening will include dinner, music, and a look back at the memories made at EBSC over the years. There will also be silent and live auction opportunities. We hope you can join us.

We are counting on the support of our generous community to make the evening a success. For the auctions, we are gratefully accepting any donated merchandise, gift certificates, vacation accommodations, or athletic tickets to aid in our fundraising efforts. If you would like to make a donation, sponsor a coach's dinner, or support a portion of the evening, please use the attached form and return it to a committee member.

Please watch your mailboxes this summer for formal invitations. If you are interested in finding out more or would like to stay current with event updates, please visit the Golden Gator Gala event page on the EBSC website. We look forward to seeing you in September.

Go Gators!
