

# Spring 2021 Phoenix Conference Information

The Phoenix Conference program is an important part of our age group and novice development plan. We aim to accomplish several goals for both swimmers and parents. The conference meets are designed to give swimmers competitive experience in a low-key setting. The meets are short, fast-moving and exciting; the individual races are set-up to be as competitive as possible, with swimmers of similar age, ability and experience competing against each other. The meets provide swimmers with an opportunity to showcase their improvement in front of teammates, parents and coaches. We also work to build team spirit and encourage sportsmanship. For parents, it is a training ground for volunteer meet work.

## Conference Team Assignments

The Conference Team assignments are attached to this email and posted on the website. If anyone is missing, or if any siblings are on separate teams please contact Coach Whitney (367-7657 or [wjk416@hotmail.com](mailto:wjk416@hotmail.com)). Also, please report misspelled names and incorrect age classifications.

## Conference Meet Parent Volunteers

We will need a handful of parent volunteers to run these meets. Please sign-up to help out by logging into our team website ([www.lakecountryswimming.com](http://www.lakecountryswimming.com)); sign-up for each conference meet under the "Current Events" tab. Select the meet, click on the "Job Sign-up" button and follow the instructions there. Spectators will not be allowed in the pool area – however the swim meet will be live streamed. If trained, please sign-up for those positions first (announcer, computer, SST and scoring.) **Volunteer sign-up will open at 8 pm on Monday, May 3<sup>rd</sup>.**

## Meet Entry & Fees

All swimmers are automatically entered in these meets by the coaching staff. Swimmers in Age Group's Gold, Silver, Bronze and Super 8's will be charged an \$18 entry fee; swimmers in Ribbons have already paid this fee. Most swimmers will swim two to three individual events and one relay. Please notify Coach Whitney (367-7657 or [wjk416@hotmail.com](mailto:wjk416@hotmail.com)) if your child cannot attend a meet, or if they will arrive late or must leave early. **If your child becomes ill or injured and cannot attend the meet please call the team office (367-7657).**

## Meet Day

When swimmers arrive at the pool they should report to their team area. Please arrive early enough for your swimmers to check-in, write their events on their hand and be ready to swim, with cap and goggles on, by the start of warm-up. Swimmers in the late dual meet will need to wait until the early dual meet has completed before entering the pool area. Each team will have a check-in table and swimmers should check-in with team coaches. The entries are posted, as well as in the hands of all coaches. The coaches will help swimmers find event number and lane assignments and write it on their hand. Once this information is on a swimmer's hand, any coach or parent will be able to help swimmers get to the start for their event. All swimmers will be called to the staging area and organized into their event and lane assignments prior to their race. Parent volunteers will escort swimmers to their lane.

To Be Determined: Relay assignments will be posted, but due to unanticipated absences, these assignments often change. The coaches will help organize the relays and escort them to their lanes. Swimmers should always check with their coaches about relay assignments.

Swimmers are asked to stay in their team area throughout the meet. It is much easier for the coaches to find swimmers when they are in the team area, but more importantly, this helps promote teammanship. We also ask that all swimmers plan on staying until the end of the meet for the final score announcement.

We will send another "meet day" email before the first swim meet. This is just to give you a general idea of what to expect.
