Year Round Fundraising

SCRIP Is a great way to earn FREE money on things you purchase everyday. Below is the link to help you get started. The best way to manage your SCRIP account is with a Presto Pay account. You simply hook up your checking account to pay for all items purchased. It does take a couple of days due to the verification process, but trust me, it's worth it. Here is how setting up a Presto Pay account will go:

1. Register your new account on shopwithscrip.com with code 4CCBDB3D1538
2. Select create a Presto Pay account
3. Once you enter your info, 2 transactions will post to your checking account in 1-2 business days. Once you have these amounts, enter them on your SCRIP account. You will receive a verification code via text or email. That needs to be sent to me and I will finish linking your account. I will NEVER get/need your personal financial info, I only need the verification code. I will text or email you when you are ready to go.

Just go to shopwithscrip.com to get started. Remember, 75% of all money earned can be used towards next seasons swim fees (there is the usual 25/75 split with the club).

All SCRIP orders are due by Thursday. I place the order on Friday before 7am to ensure the cards are received by Tuesday.

As always, email me with any questions.
