

MEET MANAGEMENT AND OFFICIALS NEEDED!

Over the past few years SWAT has been noted as running some of the best meets in the area. SWAT received all of the votes except one last fall when regional meets were assigned. Some of the things that we offer include:

- Timers for all events, including distance races
- Top-notch hospitality, snacks, and meals for coaches
- ***Sufficient, well-trained officials AND excellent meet management***

Over the past couple of years, many of the folks who helped out as officials and on the meet management team have seen their athletes graduate and are no longer with SWAT.

We are looking for people to step up and learn what it takes to fill these positions. Not only are you fulfilling your volunteer hours, but you can earn credit for registration fees and learn valuable skills that can be used throughout the time your athletes are swimming.

MEET OFFICIALS

- HOW TO DO IT
 - Sign up for and attend a half-day training at wisconsinswimming.org. Click the "Officials" tab, then "Becoming an Official." All costs are covered by SWAT.
 - Swimming experience is NOT NECESSARY!
- WHY YOU SHOULD DO IT
 - Free meals! Free admission! Free heat sheets! Credit toward registration fees! No "bleacher butt!" Did we mention...free stuff?!?

TIMING SYSTEM OPERATORS (Colorado/Daktronics)

- HOW TO DO IT
 - Sign up for a training or work out a time to be trained.
 - Volunteer at one meet as an "assistant" to get hands-on experience.
 - No computer experience is needed. The system is fairly easy to learn.
- WHY YOU SHOULD DO IT
 - Front row seats for meets! Some high school teams PAY their scorekeepers!!

HY-TEK MEET MANAGER OPERATORS

- HOW TO DO IT
 - Sign up for a training or work out a time to be trained.
 - Volunteer at one meet as an "assistant" to get hands-on experience.
 - The system is called "Hy-Tek" but isn't really all that "high tech." If you know how to send e-mails, you will be okay!
- WHY YOU SHOULD DO IT
 - Most pool offices are air conditioned! Some even have TVs to watch other stuff besides the swim meet! You control when the parents get results on Meet Mobile!

Please check out the "Parents" tab on the SWAT website for more information.

Contact Mike Mellock (mikemellock@gmail.com or 687-5456) or Brian Temke (temke@yahoo.com or 688-3475) for information or to sign up for training.
