

## ShopWithScrip.com

We will be updating our ShopWithScrip program for the fall (effective 9/1/2014).

Shopwithscrip.com is an online scrip program that our team uses to participate in the Great Lakes Scrip fundraiser program. Scrip is an easy way to earn fundraising rebates. You purchase gift cards/gift certificates from local businesses (gas stations, retail stores, restaurants, etc.) and you earn rebates for your purchases and these rebates can be used towards future swim team registrations (see Fundraising section of our website for more details). A list of retailers included in the program is available on the website, [www.shopwithscrip.com](http://www.shopwithscrip.com).

What you need to do to participate:

Set up your account on the [www.shopwithscrip.com](http://www.shopwithscrip.com) website. You will need our organization code in the set up process. Organization code: 918EE8AD13252.

Once you have a ShopWithScrip account you will need to set up your PrestoPay account; you will receive a PrestoPay approval code you will need to e-mail that to Laurie Carlson at [laurie@waukeshaexpress.org](mailto:laurie@waukeshaexpress.org) so your PrestoPay account can be approved. Once the account is approved you will have access to ScripNow products right away from your computer or from your mobile device (My Scrip Wallet can be used to manage and access your ShopWith Scrip).

We prefer that you pay for your orders online. If you do not pay for your order on PrestoPay we will approve your order upon receipt of payment (check should be delivered to the pool office).

Orders will be approved Friday of each week (all orders received prior to Friday will be included, assuming a payment has been made online or to the pool). ScripNow products are available immediately online, all other cards/certificates will be available for pick up the following Tuesday at the pool office.

Checks should be made payable to: Waukesha Express Swim Team. More details about My Scrip Wallet, Presto Pay and the ShopWithScrip program are available online.
