Central Plains Early Childhood Intervention (ECI)	602 West 6th Plainview, TX 79072 806-291-4416	ECI works to promote a child's development from birth to age three. A child with a developmental delay is behind others the same age in areas of crawling, walking, talking, eating, drinking, or playing. If a child has difficulties with language, social or physical skills, ECI will provide a screening at no cost to families. If the child is eligible, ECI will work with the whole family to plan appropriate services based on the unique needs of the child. ECI currently serves 231 kids throughout its nine-county area, with

		more than half of these children in Hale County.
