

CARDINAL AQUATICS NEWSLETTER OCTOBER/NOVEMBER 2009

PICTURE DAY

Team picture day is Sunday November 1st. Individual pictures will begin at 4:00 and the team picture will be taken at 5:00 at Linsly . There are picture envelopes at the pool. Following the team pictures, there will be a pizza party for swimmers and their families.

TEAM APPAREL ORDERS

The orders for team apparel and towels are due with payment on November 1st. There will be tables set up for processing. All of the products look incredible and make great gifts for Christmas. Great job to Leslie Thompson and Doreen Garbash for taking on this fund-raiser!!

POP TRUCK SALE

We are going to have a Pepsi truck sale as one of our fund-raisers. Jodi Salvatore is the contact person. Look for details soon.

MEET WORKER SIGN-UP

There were several issues and questions about the sign-ups for our paper meet on the 25th. It is becoming increasingly difficult to maintain 3 different sheets at 3 different sights. From this point on, for all of the home meets, there will be one main sign-up sheet at Linsly. The week before each home meet, please make an effort to take a trip to Linsly and sign-up for jobs.

BOARD POSITION OPENING

We have a safety officer vacancy on our board. If you are interested in serving on the board or would like to know details of the position please contact Erika Scarpone.

ZONE HOTELS

We have a block of room reserved for the Zone Meet in Bowling Green, Ohio. They are not the best block of rooms. The rooms around Bowling Green are severely limited. We suggest that if you know that your swimmer is going to Zones or that there is a good possibility of it, you should book an individual room ASAP. Or you could wait until the middle of February and see what is available. We would like to save the rooms that we have for swimmers who make it unexpectedly.
