

GST Board Meeting Agenda  
4/20/2010 @ 5:45  
Aquatic Center

Attendance: Brad, Jessica, Nichole, Angel, Drew, Phil, Dan, Bill, Kyle, Nicole

March minutes were approved.

Athletes Report: Senior Sectionals went well in Seattle. The kids had a good experience. We did really well in the relay.

Treasurer's Report:

Paid out around \$1,800.00 reimbursement in sectionals. We had \$620.00 from T-shirt sales from state. There will be about \$2,800.00 reimbursement from WSI. The coach will check on grant money. We don't need to decide on ELITE summer meet on that right now. March ¼ of the month charged. It was discussed and decided to leave Barb on the checking, as a representative of the Accountants Office. We even looked at the by-laws for doing so. New people need to be added to the checking. Savings account balance is 20,251.58. Checking is at \$18,001.38.

Coaches Report:

There was a grant submitted for \$5000.00. Coach checking into \$3000.00 in reimbursements for the elite meet. We started with 63 in the water. 1<sup>st</sup> week coming to a close and there was close to 70 in the water. These are good numbers. Plan on some meetings to be at the rec center due to the pool closing. Coaches are hoping to meet with the rec center staff and possibly get some practice time.

Old Business:

Hoping they will work with us. We will discuss if we will pay toward a membership to swim. We may need to offer swimmer support for those who will be swimming at the rec center, an adult to watch kids. Coaches may just get in the water with the kids. Will be discussing the summer schedule for the city pool. Jessica proposed having the kids writing a letter to the rec center for the use of the pool. It would be good for them to see who it will benefit. Summer swimming to be at the city pool. Some of the numbers took a hit. Don't loose sight of being positive for your kids.

New Business:

There are sign ups for the members. The social committee may involve the whole family. The swim meet committee will not be functional for the summer. We are looking for ideas for fund raising. Any creative ways to create revenue. Think outside the box. Bill had mentioned maybe having the Thunder Basin Ford due a fund raiser with possibly giving a car away. Bill said he heard of other groups doing the similar thing and it was a success. 4-

H has asked for our help with smoothies during the high school rodeo. Some one will look into dates and times. WSI is looking for people to step up and help with the meet. If you can help please sign up. There is a listing on the WSI website.

Next Meeting Tuesday May 18<sup>th</sup> @ 5:45 Meeting Adjourned.
