  - (3) Diving and backstroke starts will be allowed from the starting end of all lanes once the lane has been designated as a "start" lane. In the case of backstroke starts, no swimmer shall be on the starting block until the backstroker has completed his/her start. Swimmers in the inside lanes shall complete one length and walk back to the starting end.
  - (4) Relay take-offs - During the LSC Championship Meets, the Referee may permit a 5minute relay take-off practice period, during which the take-off lanes shall be clearly designated and shall be used for nothing other than relay take-off practice at the starting end of the pool.
