### How does a swimmer qualify for the 11-14 All Star Camp?

Qualifying times shall be the swimmer's best time from April 1, 20120 through the application deadline and be listed as officially verified times in the USA Swimming database.
3. Swimmers with the most AA times will be selected first. If there are not enough applicants with AA times to complete the team (the total number of AA times will be reflected by the best standard achieved in each stroke and correlating distance in ANY course, not in EVERY course. Hence, if an athlete has a AA time in the 50 METER breaststroke and 50 YARD breaststroke, this qualifies as one (1) AA time achieved), then:
