Meet Conduct: This is a preliminary and finals meet with timed finals beginning at 5:00 p.m. on Thursday and preliminaries beginning at 9:00 a.m. on Friday, Saturday, and Sunday. The meet will be deck-seeded using a master check-in system for preliminaries. Events will be seeded using Short Course Yards times first, followed by non-conforming LCM times being seeded after the SCY times. Preliminary heats will be conducted fast to slow and may be run in multiple courses if necessary due to time restrictions and size of meet. With the exception of Sunday's positive check in for finals, this event will follow the USA Swimming Championship Rules as defined in section 207.11.6 of the USA Swimming Rules and Regulations. As provided in this section, the Steering Committee and the Vice President of Program Operations have established that the penalty for failure to compete in an individual preliminary heat in which such swimmer is entered and has not been scratched will be one of the following:

➤ Being barred from all further individual and relay events of that day as prescribed in section 207.11.6. Positive check in will be required for subsequent day's events.

➤ Payment of a fine of \$50. Payment of fine constitutes positive check in for subsequent day's events.

Finals start time may be adjusted by the Meet Referee according to the size of the meet or by weather conditions. There will be a Championship Final (A), Consolation Final (B), and Bonus Final (C) in that order in each event except for the 1000 Freestyle, the 1650 Freestyle and relays, which will be swum as timed finals. A second Bonus Final (D) may be added in events 200 yards and shorter, if the meet has a minimum of 400 swimmers. Ten lanes will be used in finals.

➤ **Friday:** Finals are scheduled to begin at 5:30 p.m. Finals may start later at the discretion of the Meet Referee if preliminaries end after 2:30 p.m.

➤ **Saturday:** Finals will begin no sooner than 1-1/2 hours after finish of preliminary events with the time to be determined by the Meet Referee.

➤ **Sunday:** Finals will begin no sooner than 1 hour after finish of the 1650 freestyle, with the time to be determined by the Meet Referee. **POSITIVE CHECK-IN IS REQUIRED FOR SUNDAY FINALS within 30 minutes after the announcement of the results for that race in order to be seeded into finals.**

Distance: The 1000 Freestyle & 1650 Freestyle will be swum fastest to slowest, alternating between heats of women and men. On Sunday, there will be a 10-minute break **after** the morning (AM) 400 Medley Relays, before starting the 1650 freestyle events. All heats of the 1650 freestyle will be conducted in the distance session between preliminaries and finals on Sunday. *Swimmers in distance events are required to provide their own timer and lap counter. Lap counting devices will be provided.*

Warm-Up: **Thursday, February 24** – Ten lanes will be available in the competition pool for athletes competing in the 1000- yard freestyle events. Juanita Allington

1944-1990

The Clovis Swim Club Senior Championship Short Course Swim Meet is dedicated to the memory of Juanita Allington. Juanita was truly a friend of swimming, participating as a volunteer at the recreation, club, high school and collegiate levels. She served as President of Clovis Swim Club and as OVC Chair for CCS. By the time her daughter, Missy, completed her collegiate career at Arizona State University, Juanita and her husband, Norm, turned the avocation of swimming into a full-time vocation: Swim Suits West. Clovis Swim Club was fortunate to have Juanita as a member of our organization.
