

CLUB INFORMATION & RECOGNITION

For 2021 there were 82 registered clubs/teams within Colorado Swimming of which 61 were Year-Round and 21 were “Seasonal”. Clubs ranged in size from 5-494 members with some having only a single coach training in a single pool while others have a staff of coaches and multiple sites to meet their needs. The structure of each club can differ perhaps being coach-owned, governed by a parent board, or associated with an institution such as a parks and recreation district or school.
