

NORTHERN COLORADO SWIMMING

Fall Meeting

September 9, 2010

Johnny Carino's

Meeting called to order by Vice Chair Kathleen Morris at 7:30 PM.

M/S/P to approve minutes from the last meeting.

There will be an official's clinic for all certifications on November 7, 2010 at Boltz Middle School starting at 12:30 PM.

Silver Circuit dates for the upcoming season will be:

Brighton	12/04/10	8:00 AM Warm Up
Eaton	01/22/11	8:00 AM Warm Up

Discussion held on holding a separate 8&U Championship meet for the winter season.

M/S/P to hold the meet on February 12, 2011 with a 7:30 AM warm up and an 8:30 AM start time.

Brighton will see if they can host with Eaton as the backup facility.

Discussion held on the event schedule for Winter Districts. It was motioned, seconded and passed that the 9-10 events will be changed to 10&U events and Jim Nickell will revise the afternoon event schedule and send to Linda by October 15, 2010. Changes the lengths of the meet to two days by eliminating the 8&U's for their own championship and have the open events more of sprints meet for the older swimmers. If no new format by that date, then the old event schedule will be used.

Doug Stone proposed a new format for 12&U swimmers and to call the meets the Northern Colorado Spirit meets. Doug will draw up an event schedule for these meets and present for approval.

M/S/P to adjourn the meeting. Meeting adjourned at 8:58 PM.
