Referee Instructions:

- *Three timers must be furnished by the requesting individual, if a timing system back-up is desired. Assigned lane timers may not perform this task.*
- *All split requests must be submitted to the Referee at least 30 minutes prior to the heat.*
- *If an initial distance split request is obtained for a backstroke event, the Stroke & Turn official in whose jurisdiction the finish occurs must confirm that a legal backstroke finish was made at the finish of the split distance.*
- *The official time from the timing console printout as well as the watch times will be written on the request form.*
- *The official time will be entered into the meet database in a new event created by the Admin. Referee or Admin. Official for this purpose.*
