

## **Mighty Marlins Swim Club** **How to Enter Meets!**

On the MMSC website you will find the Meet Information and the Meet Entry Information. Go to the Events, Swim Meets Tab and click on the meet you may want to enter

The Meet information is provided by the host team and can also be found on the PNS website! It has the Meet event list and schedule.

The Meet Entry information is a summary of the key information for entry compiled by Coach Kirby. Be sure to note who may participate, if you are still unsure ask your child's coach. Also note the entry limit and especially the **ENTRY DEADLINE!**

- 1.) Pick the events you would like to swim from the Meet Information
- 2.) Ask coaches if you need assistance
- 3.) Fill out the "Meet Entry Form" fully
- 4.) Turn in form and meet fee to the table by the deadline
- 5.) Be prepared to have a fun and exciting experience
- 6.) Parents: In response to your question. Is my child ready? **YES! YES! YES!**

You may also enter online, **if we are accepting online entries**, by doing the following:

- 1.) Click on the meet you wish to swim in on the Events, Swim Meets, tab
- 2.) Click on "Edit Commitment"
- 3.) Click on swimmers name
- 4.) Under "Select" click "Yes"
- 5.) Under "Notes" type in events they would like to swim
- 6.) Click "Save Changes"

Note: Information can be changed up until the meet entry deadline. After that changes may be attempted by emailing Kirby. He may, or may not, be able to make those changes.

If you enter online please bring the fee to the people at the table or pay online, prior to the meet deadline.

Note: Relays are fun events that are great for building team unity, in which each of 4 swimmers swims  $\frac{1}{4}$  of the race. For example if you are in the 200 yard freestyle relay you would swim 50 yards of freestyle and 3 other swimmers would each swim a 50-yard freestyle. We will enter your child in relays that we know they can do well in. If a swimmer, definitely does not want to swim in a relay, that needs to be written on your meet entry form.
