Marlins pool times available at Marysville-Pilchuck High School Pool:

Monday through Friday

5:00 PM - 7:00 PM

Membership “leave of absence” fee

This fee is for those swimmers that have paid their Annual Membership Fee but swim on the high school swim team, or swimmers of dual sports (i.e. during soccer season) that need to take some time off from the Marlins swim practice.

The \$5 per month “leave of absence” fee will maintain their membership and permit the swimmer to participate in **MMSC** activities including swim meets. The swimmer will also continue to have access to the Marlins Website. If the “leave of absence” fee is not paid then the above listed privileges of membership cease. When the swimmer rejoins within the same swim year (Sept.-Aug.) a re-registration fee will be charged. The fee will be determined by the number of months absent multiplied by \$5.00.

There is a \$20 per day “drop in rate” for any day that you swim while being on leave.

***Any missed hours may not be made up; there are no roll-over hours.**

***Billing invoices will be sent out by the 1st of each month and fees must be paid by the 10th of each month.**
