

ATHLETE PROTECTION TRAINING (APT): It seems there has been some confusion on what course is required as a new member versus a renewing member who's APT is getting ready to expire or has expired. If you are a new member, you are required to complete the Athlete Protection Training: Core Course

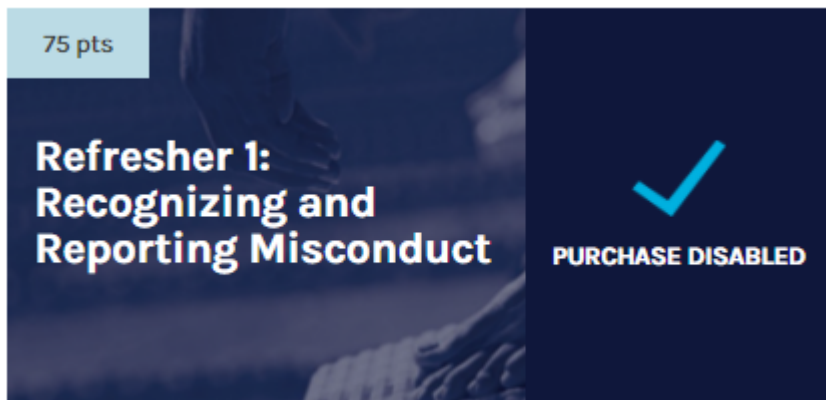

If your APT is expiring, you can take the Refresher 1: Recognizing and Reporting Misconduct 90 days prior to your expiration date.

If you have let your APT expire, you must take the Core Course again.

You will see on your Learn Dashboard that the Refresher 1: Recognizing and Reporting Misconduct is not available.
