

Snake River Swimming Junior Athlete Representative Election Candidates

Rees Weimer – Voltage Aquatic (VOLT)

I want to be Snake River Athlete because I have realized how much swimming has helped me become a better person, through others I have been able to reach my goals and become better friends with people throughout our LSC. I would like to help others to become more connected with each other through fun activities and meets. I would love the opportunity to learn from others and I know I can encourage others to continue swimming and enjoy it as well. Through some of the ideas we can come up with we will be able to help swimmers succeed and enjoy their accomplished goals.

Leadership Experience: captain of Voltage Aquatics, basketball teams and president of my church group.

James David Heberlein (J.D.) - Portneuf valley swim team (PVST)

I've always liked being a representative. I feel like it's important to represent and I know I'm the right fit for the job. For starters, I'm the team representative for Portneuf Valley and I've been a member of student council. Being on student council taught me how to be the best representative I can be. I've been around swimming since I was six years old. I have no intention of leaving this sport any time soon. Being a representative means taking your job maturely and responsibly. I want to be our Representative because I want to serve everyone who's a part of snake river swimming. I've always liked being a leader, and I don't want to stop taking on leadership roles anytime soon.

Leadership Experience: Baritone section leader in band, team captain for century, student council senator, and team representative
