After verification of meet entries, if any athlete is found to be not currently registered, the host club must submit a post-meet backup to the Snake River Registration Chairman. If the athlete competed in the meet and his/her registration was postmarked after the entry deadline, the athlete/Club will be fined \$100 by the Registration Chairman. Additionally, if an athlete competes in a meet as an unregistered swimmer, he/she will be disqualified from all events swum in the meet and will not be allowed to enter any other competitions until the fine is paid and the registration completed.

Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement. If we do not receive verification signed by the swimmer's coach with the entries, the swimmers will be required to start from the water.

Entries: Swimmers may enter 3 events.
