Who do we need to notify?

1. Immediately notify the facility manager
2. You have informed the Idaho Health Department once you send in the Pool injury and Illness Report form.
3. USA Swimming, through the Report of Occurrence Form
4. Entire swim team (see sample letter): it is imperative to maintain swimmer and family confidentiality.

To: All families

Date:

We have been notified that a swim team person tested positive for COVID on _____ (date) and is now self-isolating. We have notified the proper health, facility, local, state and federal authorities.

Practice is cancelled until further notice. The coaches who had close contact will be self-isolating for 14 days from today. We are letting you know of this incident so you may contact your family physician and follow their advice. If you have questions about COVID-19 or your situation, please talk with your doctor and look at the CDC website.

The team is here to support everyone during this difficult time.

Sincerely.

What steps do we take at the facility?

1. Close off areas used by the sick person and do not use the areas until after cleaning and disinfecting.
2. Wait more than 24 hours before cleaning and disinfecting these areas. Ensure safe and correct use and storage of EPA-approved list N disinfectants, including storing products securely away from children.
3. Follow all facility procedures

What steps do we take with the team?

1. All swimmers at the impacted facility will be out of the water for at least 24 hours, after a positive test has been reported to accommodate facility cleaning and disinfection
2. Swimmers in the group in contact with the person who tested positive should be out of practice for 14 days
3. Coaches who actively coached or who were on deck with a person who tested positive, should be out of practice for 14 days
4. Per earlier recommendations, anyone who has been in close contact with someone who has exhibited symptoms or tested positive should self-isolate for 14 days
5. Have all team members follow the recommendations of their family physician or medical professional
6. Maintain all Safe Sport standards with respect to proper supervision, etc.
