

Technical Planning Committee Meeting
 Saturday, November 18th
 Boise West YMCA

Attendance: Ryan Stratton, Stephanie O'Malley, Mikayla Gallegos, John Apgar, Terri Adams, Jeff Adams, Debra Marria

Discussion regarding the events for Winter Championships and setting a standard template for future SRS championship meets. Input was given verbally by those present and also via email by Christine Dustin from Eastern Idaho. It was determined that 9-10 year olds will have all 50 and 100 races as a prelim/final event. The 11-12 age group will have 200's added for back, breast and fly as a timed final only and a 400 IM added as timed final only. The added 200 events for 11-12 age group will permit NT's as an entry in order to allow kids without a time to swim the event. The 11-12 relays will be changed to 12 & Under to accommodate smaller teams who may not have enough for relay events. Committee will propose that the events listed below to be added to bylaws at Spring HOD meeting. Summer Championship events will be discussed prior to Spring HOD meeting.

The standard slate for 2018 Winter Champs will include the following events and may be scheduled on any day of the meet at the discretion of the hosting team and officiating referee.
