

Snake River Swimming

Safe Sport Update

4 Months & Counting

It is hard to believe we only have four months left in 2020...what a year it has been! The challenges we have all faced this year are unlike any our generation has ever experienced. I am asking us to come together as an LSC and make these last few months count! Let us not remember 2020 as the year of COVID but as the year Snake River Swimming became the **FIRST** LSC in the country to have **EVERY** team become a Safe Sport Recognized Program. I know we CAN do this!!! Please remember that the USA Swimming Board of Directors set the goal for every team to become a SSRP by 2021. With access to the virtual trainings it is now easier for teams to achieve this benchmark than ever before. Most of you are already in process, some may not even realize it. Please know you have a host of resources accessible to assist you and remember I am always here to help. Stay healthy and take care.

September Trainings

(link below)

Parent:

- Wednesday, September 9 at 8 p.m. EST

Athlete (ages 12-18):

- Thursday, September 10 at 8 p.m. EST

Coach:

- Friday, September 11 at 8 p.m. EST

September Training

“The struggles along the way are only meant to shape you for your purpose”

Chadwick Boseman

1977-2020
