1/14 - 1/16	Wahoo Winter Invite (Trials/Finals for 11 & Over) / TBD

## Home Meet Work Requirements

The Wahos are fortunate to have a great facility which allows us to host several meets during the season. All workers, with the exception of coaches, are volunteers. It can take over 50 volunteers to run a successful swim meet.

**Requirement** - Parents or their named designates are required to work all home meets in which they have a child swimming. The Wahoo Home Meet Job Coordinator will determine the work requirement prior to each meet based on meet the entry.

**How do I sign up for a Job?** Prior to the home meet, an email will be sent to all families participating in the meet detailing the work requirement and open/deadline dates for job signup. Go to the **Event tab** on the website [www.wywahoos.org](http://www.wywahoos.org) and click on Events. Click on the meet your athlete is swimming in. Go to Job signup. Pick a role. Job Signups will be on [www.wywahoos.org](http://www.wywahoos.org) unless otherwise communicated.

**What if I don't sign up by the deadline?** If you do not sign up by the deadline or do not sign up for the required sessions, you will be added to any open slots by the Home Meet Job Coordinator. It is your responsibility to check your job assignments before the start of the meet.

**How much should I expect to work?** Depending on the meet, you may need to work every session your swimmer is entered. Typically for a Three Day meet - If you have 1 swimmer participating in all three days you should plan to work 2 sessions. More than 1 swimmer in multiple sessions plan to work 3 to 4 sessions.

**What if I cannot work?** If a family, due to a prior obligation, **cannot work** ANY of the sessions available at that meet, the Wahoo Home Meet Assigner may excuse a family from their meet requirement. This must be done with prior notification to the Job Coordinator.

## OPTIONS

1. **Pay out of work requirement** - \$50.00 per swimmer per session. (ex. if you have a job requirement of 2 sessions you pay \$100)
2. **Make up work requirement** - work the equivalent number of sessions that you would have been required to work, at a future meet/event.

**Finals** - In a prelims/finals meet, all families whose swimmers earn participation in finals will be required to work. Work assignments will be determined after the afternoon prelim session.

## Away Meet Work Requirements

**Requirement** - Parents or their named designates are required to work any away meet in which they have a child swimming. Work assignments/requirements are determined by the host team.

**How do I know if I am assigned to work?** Wahoo Away Meet Job Coordinators will assign jobs to families based on the meet entry. Emails will be sent out to families as soon as possible in advance of the meet to confirm the job responsibilities.

**How often will I have to work?** The Job Coordinator will fill open spots with families who do not have a trained home meet worker first. If there are still openings, they will use all trained workers except officials. Typically, you should expect to work every other away meet.

**What if I can't work?** Please communicate any conflicts to the Wahoo away meet coordinator as soon as possible. Once you are assigned a job and your swimmer has scratched or if you cannot work, it is your responsibility to find a replacement.

**Championship Meet Work Requirements** (Championship meets are CT Regional Championships, CT Age Group Championships, and CT Senior Championships)

**Requirement** - Parents or their named designates should be available to work all sessions of a championship meet in which they have a child swimming. Work assignments/requirements are determined by the host team.

**Job Signup** - If possible, approximately one week ahead of a Championship Meet, the Away Meet Job Coordinator will create a sign-up allowing families to choose their workdays/sessions. If the work assignments have not been given by the host team in time, job assignments will be made by the Job Coordinator.

**Changes/Conflicts** - Any changes or conflicts should be communicated to the Job Coordinator as soon as possible. If a job has been assigned, it is your responsibility to find a replacement. CT swimming will fine swim teams for late or absent workers.

**Finals** - Job assignments will be made based on swimmers participating and Finals work assignments given by the host team.

**Officials/Trained Workers** - Families with parents who will be officiating and/or working a trained position at a Championship meet should inform the Away Meet Job Coordinator.

**Violations of the Work Policy**

We do not want to fine anyone - we want you to be part of the team and help out! We understand things happen. Please always communicate changes and follow the policy.

**Home, Away and Championship Meet Fines**- If a family does not show up to perform their required home, away or championship meet work obligation they will be fined \$100 per missed assignment.

**Multiple Offences** - The second and any additional times a family does not perform their required work obligation without prior notification, their swimmer will not be allowed to participate in that and future sessions of the meet.

**Outstanding Fees** - If there are outstanding Home or Away Meet Work penalty amounts due prior to the championship season, the swimmer will not be allowed to participate. In addition, the swimmer will not be allowed to register for the next season until fees are paid.

If you have any questions regarding the work policy, please contact Jill Lillis or Kerri Mims. I have read the above work policy and agree to volunteer my time as outlined above.
