

Meet SignUp Tutorial

If you don't already have it, download the "On Deck" app to your smartphone. You don't have to use it, but it's pretty slick and simple.

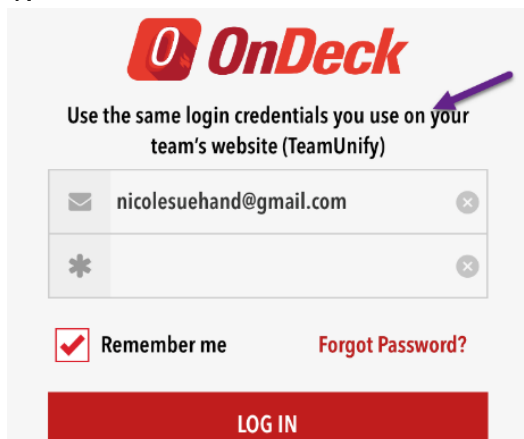

Note: I have admin rights, so I have extra options that you won't see when you login.

We need you to declare whether or not you are attending each meet.

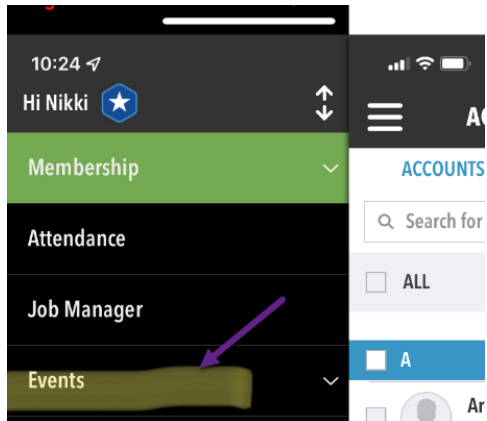

Do not worry about selecting the event, the Coaches will do this for all Beginners. They will know what your child is ready to swim.

If you do decide to sign up for a specific event, the Coaches have all final decisions about what the kids swim. They know the child's capability and what we need as a team.
