**\$250 non-refundable registration fee is due at the time of registration.** This covers each athlete's NC Swimming, USA Swimming membership, YMCA of the USA league dues plus swim team cap, 3 team T-Shirts, and an ARENA team suit. (except YOTA & Jr. Prep).

YOTA total cost minus registration fee is spread evenly across your athlete's enrollment period, with monthly installment drafts due each month. Nine equal drafts will occur the 1st of each month from September to May. The YOTA swim team practices and competes through July.

All-inclusive fee means your monthly draft covers all of the costs to operate the YOTA Swim Team. Some specific items include: coaching salaries, pool rentals, lifeguard expenses, registrations, associated meet fees, and equipment to support facilities or meets. It is important we all are good stewards of the fees in order to balance the YOTA Swim Team budget.

\*Senior II & Senior I team training trip to Camp Sea Gull in September is NOT included this year. Senior I does include a January team training trip.

**Families interested in getting financial assistance MUST still pay the \$250 registration fee and should go through the registration process.** During the online registration process you'll be asked if you are interested in receiving information on the financial assistance process, please select "YES."
