

Hello! My name is Jennifer Reiter and I am excited to be your Advanced White, Red and Blue Volunteer Assistant Coach. I have been involved in swimming since a young child and swam competitively through elementary and high school. Growing up, I was always around water. As a family we were boating, fishing, swimming, or water skiing. After graduating from IUP, I coached Derry Area High School Swimming and Diving. My experience comes from swimming competitively, learning from great coaches and working alongside even better ones.

I have been in education and involved in coaching various sports since 1996. This year, I am teaching fourth grade at Elderton Elementary School. Since 1995 I have taught grades K-12 in the areas of Business and Computers as well as elementary. During this time, I also spent twelve years as both a high school and elementary school principal. Being back in the classroom is where I find my happy place.

I have been involved with the Indy Swim team since my oldest swam in 2015. I started out volunteering with the Gold team for three years before volunteering with the Red and Blue teams this past summer. This fall I will be helping with the Advanced White, Red and Blue teams. My favorite stroke is breast stroke. It is my hopes that my experience, dedication, and knowledge will help lead INDY swimmers to push them self to always be better today than they were yesterday. I believe in the core values of the YMCA and hope that all swimmers are caring, honest, have respect for self and others, and show responsibility.

My husband and I have three children and live in Indiana. My husband is an English teacher at Clarion Limestone Area High School, teaches learn to skate and coaches youth hockey. Jacob is ten years old and plays hockey (goalie) for Indiana Youth Hockey Association. Addison is eight years old and swims on the white team. Benjamin is six and will begin his first season swimming on the gold team. All three of my children also attend Young Brothers Tae Kwon Do; Jacob has earned the distinction of Black Belt. My hobbies include reading, biking, swimming, camping, spending time with my family and running my Thirty-One business as an independent consultant.

If ant anytime through the season you have any concerns or questions, please contact me at [reiter.jennifer@ymail.com](mailto:reiter.jennifer@ymail.com) or call/text 724-422-3234.
