

How to print my YMCA Official's Credential?

Log into your account on the the yexchange.org site...

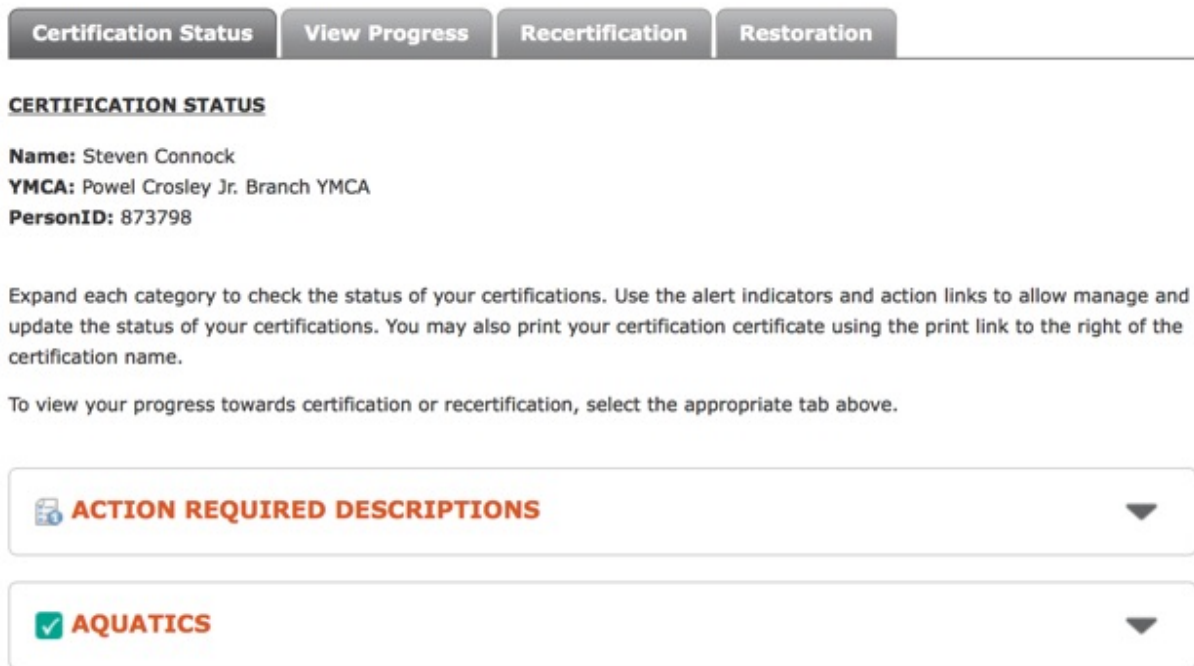

.....select LCDC (top tool bar to the right of your name

.....select My Learning

.....click on Certification Status

then towards bottom you'll see Aquatics...

Looks like this:

The screenshot shows a navigation bar with four tabs: "Certification Status", "View Progress", "Recertification", and "Restoration". Below the tabs, the "CERTIFICATION STATUS" section is active. It displays the user's name as Steven Connock, their YMCA as Powel Crosley Jr. Branch YMCA, and their PersonID as 873798. A paragraph explains that users can expand categories to check certification status and use alert indicators and action links to manage and update their certifications. A note states that users should select the appropriate tab above to view their progress. Below this, there are two expandable sections: "ACTION REQUIRED DESCRIPTIONS" with a warning icon and a dropdown arrow, and "AQUATICS" with a checkmark icon and a dropdown arrow.

You currently do not have any licenses on record.

Then click on the little down arrow on Aquatics...looks like this:

✓ AQUATICS

	Certification	Completed Date	Status	Expiration Date	Print	Action Required
Hide	<input checked="" type="checkbox"/> Swim Officials Administrative Official	10/8/2016	Current (Active)	10/8/2019	 	
Hide	<input checked="" type="checkbox"/> Swim Officials Level II Certification	6/1/2016	Current (Active)	6/1/2019	 	

You currently do not have any licenses on record.

Then click the print icon on the certification line.....
