FAQ's

1. Where does my swimmer go for practice?
Swimmers enter the pool deck from door 8W into the natatorium onto the pool deck. Each group has a designated meeting place for practice. Swimmers should be prepared for practice in their suits and their bags with them, and report to their coach.
2. Do I have to be a good swimmer to join the team?
Swimmers need to be able to swim freestyle and backstroke for 25 yards - the length of most indoor pools. Our Coaches teach all four strokes. If you cannot swim the minimum, our lesson program will teach you how and you can move to the team when you are ready.

3. What is Short Course and Long Course?
Short Course and Long Course refer to the length of the swimming pool used in competitions. From September to the middle of March is Short Course season. Competitions are held in 25-yard pools and races are measured in Short Course Yards (SCY). Long Course season runs from mid-April through mid-to-late July. Long Course competitions are held in 50-meter pools and races are measured in Long Course Meters (LCM). Flashes Aquatics practices at the Franklin Central High School Natatorium, which has a Short Course pool. In the summer, some of the group's train at the Ransburg YMCA (which is close to a Long Course pool.)
4. Are meets held every weekend?
No and it is up to you how many meets you enter based on your schedule. Usually, swimmers can compete one or two weekends a month in age-appropriate settings suited to their competitive level.
5. Is there travel involved?
Most of our meets are in the Indianapolis/Central Indiana area or at our home pool.
6. Should my swimmer participate in all practices?
Practices are not mandatory, so your swimmer should attend the number of practices that fits best into your family's schedule. However, the more practices a swimmer attends, the more proficient they become. Your swimmer will get to know teammates better, gain endurance, and have more opportunities to focus on stroke, turn, and start technique if they consistently make practices.
7. Can I attend practices as a parent?
 - We encourage parents/guardians of younger/newer swimmers to stay and observe practice from the spectator seating area.
 - Parents are not allowed on the pool deck for liability and safety reasons.
 - Parents and non-swimmer siblings are not allowed in the locker rooms at any time.
8. When should my swimmer be dropped off and picked up from practice?
 - Swimmers should be dropped off for practice no more than 15 minutes before their scheduled time.
 - At the conclusion of each practice, the coaches are no longer responsible for the safety of your children. We ask that all athletes be picked up at the conclusion of their practice and are not left waiting around the building unsupervised. Athletes that are left unsupervised may be subject to fine and/or suspension from the team.
9. When should I ask my swimmer's Coach a question?
Please do not talk to your swimmer's coach during practice. Swimmers need to pay attention to the coach's instructions. Coaches can be available after practice or via email.
10. What are Championship meets and does my swimmer qualify?
During the season, swimmers are working to qualify for end of season Short Course and Long Course Championship meets. The two main Championship meets those swimmers qualify for are the Divisional meet and/or State (Age Group or Senior) meets. Qualifying times are set each year by Indiana Swimming and get more difficult to achieve as swimmers age up. Qualifying times are grouped by 10 and under, 11-12, 13-14 and 15 and over. Most recent time standards can be found on the Indiana Swimming Time Standards website. It is helpful for young swimmers to look at the cuts for Divisional times as a first major goal. More elite swimmers can move on to qualify for Zones, Speedo Sectional, Jr. National or Olympic Trial events.

Flashes Aquatics strives to provide all swimmers and parents with the information and skills to succeed in swimming. If you have additional questions, please feel free to reach out to us so that we can ensure a successful season for your swimmer.
